

## Reviewers 2015

The Editor expresses her appreciation to the following Reviewers

|                                                                          |                                                                 |
|--------------------------------------------------------------------------|-----------------------------------------------------------------|
| Akbaş, Erdem (Erciyes University)                                        | Danso, Ransford (Ryerson University)                            |
| Akpinar, Yavuz (Boğaziçi University)                                     | De Lange, Naydene, (NMMU)                                       |
| Akyüz, Gözde (Balıkesir University)                                      | De Muynck, Bram (Driestar University for Teacher Education)     |
| Alava, Jukka (The University of Jyväskylä)                               | De Villiers, Carina (UP)                                        |
| Albertyn, Ruth (US)                                                      | De Waal, Elda (NWU)                                             |
| Almarode, John (James Madison University)                                | De Wet, Annamagriet (NWU)                                       |
| Ambrosio, John (Ball State University)                                   | De Wet, Corene (UFS)                                            |
| America, Carina (US)                                                     | Deacon, Elmarí (NWU)                                            |
| Archer, Elizabeth (UNISA)                                                | Demir, Bora (Çanakkale Onsekiz Mart University)                 |
| Archer-Bradshaw, Ramona E. (Erdiston Teachers' Training College)         | Deng, Qizhen (University of Nebraska)                           |
| Arslan, Hasan (Çanakkale Onsekiz Mart University)                        | D'Haem, Jeanne (William Paterson University)                    |
| Askew, Mike (Monash University)                                          | DiCerbo, Patricia (The George Washington University)            |
| Aydin, Belgin (Anadolu University)                                       | Dippenaar, Hanlie (CPUT)                                        |
| Baltacı Göktalay, Şehnaz (Uludağ University)                             | Donohue, Dana (UP)                                              |
| Barney, Daniel (Brigham Young University)                                | Doussy, Frank (UNISA)                                           |
| Battaglia, Onofrio Rosario (University of Palermo)                       | Dowker, Ann (University of Oxford)                              |
| Begede, Martin Phineas (University of Swaziland)                         | Drennan, Laura (UFS)                                            |
| Beltman, Susan (Curtin University)                                       | Du Plessis, Anna Elizabeth (The University of Queensland)       |
| Beschorner, Elizabeth (Minnesota State University)                       | Du Plessis, Pierre (UJ)                                         |
| Bester, Suzanne (UP)                                                     | Du Toit, Petrusa (NWU)                                          |
| Blamey, Laura (UCT)                                                      | Du Toit, Pieter (UP)                                            |
| Botha, Adele (Council for Scientific and Industrial Research)            | Dunbar-Krige, Helen (UJ)                                        |
| Botha, Marie (UP)                                                        | Dunne, Tim (UCT)                                                |
| Bouwer, Cecilia (UP)                                                     | Eberlein, Eric (UP)                                             |
| Bowers, Alex J. (Columbia University)                                    | Ebner, Hermann G. (Universität Mannheim)                        |
| Böyükata, Mahmut (Çanakkale Onsekiz Mart University)                     | Ekins, Alison (Canterbury Christ Church University)             |
| Brauckmann, Stefan (Alpen-Adria-Universität Klagenfurt)                  | Ekşi, Gonca Yangin (Gazi University)                            |
| Braun, Max (UP)                                                          | Elder, Brent (Syracuse University)                              |
| Brouard, Pierre (UP)                                                     | Engelbrecht, Petra (NWU)                                        |
| Bualert, Surat (Kasetsart University)                                    | Epstein, Joel (University of Missouri)                          |
| Buchanan, Rebecca (University of California)                             | Erten, Ismail Hakki (Hacettepe University)                      |
| Bush, Tony (University of Nottingham)                                    | Esau, Omar (US)                                                 |
| Butler, Tamara T. (Michigan State University)                            | Evans, Rinelle (UP)                                             |
| Butler-Barnes, Sheretta T. (Washington University in St. Louis)          | Evin Gencel, Ilke (Çanakkale Onsekiz Mart University)           |
| Çalışkan, Hülya (Istanbul University)                                    | Fasching-Varner, Kenneth (Louisiana State University)           |
| Callaghan, Ronel (UP)                                                    | Feza, Nosisi (UNISA)                                            |
| Cameron, Catherine Ann (University of British Columbia)                  | Finestone, Michelle (UP)                                        |
| Cappello, Michael (University of Regina)                                 | Fleisch, Brahm (WITS)                                           |
| Cavallo, Ann (The University of Texas at Arlington)                      | Fombona, Javier (Universidad de Oviedo)                         |
| Cephe, Paşa Tervik (Hacettepe University)                                | Foot, Jennifer (Algoma University)                              |
| Challens, Branwen Henry (NWU)                                            | Fourie, Jean M. (SAMRC)                                         |
| Chataika, Tsitsi (University of Zimbabwe)                                | Fullan, Michael (University of Toronto)                         |
| Chitera, Nancy (University of Malawi)                                    | Gachago, Daniela (CPUT)                                         |
| Christoforidou, Margarita (Cyprus International Institute of Management) | Gaigher, Estelle (UP)                                           |
